### Here I Am

Ah, the way to be, to me, is French  
The way they c'est la vie is French  
So here I am, Beaumont sur Mer  
A big two weeks on the Rivera  
If I'm only dreaming please don't wake me  
Let the summer sun and breezes take me  
Excuse me if I seem jejune  
I promise I'll find my marbles soon  
But everywhere I look  
It's like a scene from a book  
Open the book and here I am!

### What Was a Woman To Do

Last night I met a man beneath a pale and haunted moon  
A man no woman could refuse  
Bold and assertive, with a furtive air of mystery  
Magically long of lash, tragically short of cash  
As he approached he wore an aura of nobility  
I wore these Ferragamo shoes  
This was at last, I knew, my rendezvous with history  
What was a woman, what was a woman to do

### Oklahoma

Don't you love it when the bobcats howl?  
Don't you love it when the coyotes cough?  
Well I know a few tricks with a thirty ought six  
You can watch me blow those little fuckers heads clean off  
And then, oh boy, oh we'll go two steppin through the arroyo  
Watch what you step in  
Cause those cattle eat their share and it's gotta go somewhere  
In my little piece of heaven, Oklahoma
