

## EXECUTIVE DIRECTOR'S MESSAGE:

### "IT'S HOT UP HERE"

By Erin Evarts

As we swim into August after an incredibly busy summer I hope you have all remained healthy, safe, and have been able to enjoy the gorgeous Vermont weather. While we continue to practice social distancing, Lyric is slowly opening back up our Creative Space for use by our members and the community with CDC and State safety guidelines at the forefront of our work.

It was so wonderful to see so many Lyric members at our first Mystery Movie Night in July! We look forward to offering more outdoor events in the coming weeks and months so our members can safely enjoy each other's company AND we can share our love of musical theatre. Thank you to the Membership Committee for all their work on this event, and take a look in the *Spotlight* for information on what's next.

Keep your eyes peeled for more opportunities to sing, dance, and create with Lyric. Between issues of the *Spotlight* make sure you are on our mailing list, and following us on social media to stay as up to date as possible on all things Lyric!

## A NOTE FROM THE BOARD CHAIR

By Christopher Brown

Hoping this message finds folks well as we head into August. (Wow, I swear time is flying by at lightning speed!) As the "Lyric Machine" continues to forge full speed ahead through the summer, I am happy to share some updates about some things happening throughout the organization.

As we tackle the question of 'how will we spend our time this fall without a Mainstage production,' a sub-committee of Production Selection & Evaluation has been created called **The Futuring Committee**, which has already met several times. The Lyric Futuring Subcommittee is charged to develop new programming options for Lyric so that:

- Lyric can continue to fulfill its mission during times when the Flynn Center is not available.
- Lyric can provide its membership with more opportunities for participation outside of the Mainstage production schedule.
- Lyric can rely less on Mainstage production ticket sales and sponsorship for our operating costs.
- Lyric has theatrical performance and volunteer options available in times when social distancing requires adjustments to "business as usual" for the performing arts.
- Lyric remains a relevant and active voice in our community despite being unable to carry out our Mainstage productions.

The committee has begun to collect ideas for different projects for the fall and will advertise volunteer and audition opportunities as projects come to fruition. Futuring will be soliciting ideas from the general membership in the near future, so keep your eyes peeled for a survey. As the committee develops processes, policies and procedures for developing projects, it will be communicated to the membership so more folks can be (safely) involved. If you are interested in learning more or participating in this committee, please email Tom Dunn (tedunn@comcast.net).

Spinning off the great success of our Mystery Movie Night, we have decided to host a second in conjunction with our **Annual Meeting** on Friday, August 21! At the Annual Meeting, we will review our past year, honor and recognize the hard work of our membership, review financials and talk more about the upcoming year. Per Lyric policy, we will also be presenting a slate of new board members to the membership for approval as we say farewell to a few outgoing members. I hope to see you there!

As always, thank you for your ongoing support of Lyric. We are stronger because of you.

## LYRIC FROM THE LIVING ROOM: FALL EDITION

By Erin Evarts

As the fall approaches, we are looking forward to updating our successful Lyric from the Living Room Series. It will look a little different this fall and be part performance and part fundraiser for Lyric. If you are interested in helping out by singing, dancing, OR sharing a technical skill (like how to lace a corset, paint a flat, or focus a light) please email [erin@lyrictheatrevt.org](mailto:erin@lyrictheatrevt.org) to get on the list.

## “THE CIRCLE OF LIFE”

By Ryan Addario

Recently, Green Tree Drive received a burst of youthful energy with our LyricKids summer programming coming in strong with amazing socially-distant productions of *Frozen KIDS!* and *Lion King Kids!* on our brand-new rehearsal space stage. We are so grateful to the staff, families, and campers for their flexibility and enthusiasm in contending with all of the additional safety measures that were put into place.

Campers and staff spent a huge amount of time outside, in addition to remaining distant and masked indoors while rehearsing. While it was definitely different from other years, there was no shortage of talent and joy on display, as the small number of family members in attendance can attest to. The kids are alright!

## SPOTLIGHT SHOUT-OUT

By Serena Magnan O’Connell, Membership Chair

This month, we’d like to acknowledge our tech crew who played an integral role in making Mystery Movie Night the success that it was! Ian Ferris, Andy Pearson, Justin Brault, Rick Pingert, Doug Viehmann and Chris Brown, thank you for your time and efforts resulting in a truly magical evening which brought our community together for the first time in months, and raised \$800 for Lyric! We couldn’t have done it without you and we’re giving you this month’s Spotlight Shout-Out!

## ACTIVE AND SUSTAINING LYRIC MEMBERS!

By Serena Magnan O’Connell

Keep an eye out for an upcoming email from the Lyric office...yup, it’s that time of year where your volunteer hours and donations to Lyric have been tallied and your membership cards await you! This year, to save on mailing costs and paper, we will be keeping your cards at the warehouse for distribution at our Annual Meeting (or you can pick them up at another time that works for you).

Also, keep an eye out...we want to know who you are! The Membership Committee has compiled a survey to help us keep track of who our active Lyric volunteers are. The questions will revolve around your experiences and interests within our organization. Please fill out and return to the office; it is useful information that will be vital in helping us fulfill our future membership needs and activities. All information will be kept in our database to be updated annually. Direct any questions you may have regarding the survey or your active/sustaining membership levels to [serenamagnan@hotmail.com](mailto:serenamagnan@hotmail.com).

## SEEKING NOMINATIONS FOR THE STANLEY GREENBERG VOLUNTEER OF THE YEAR AWARD

By Serena Magnan O’Connell, Membership Chair

The Membership Committee is now accepting nominations for the Stanley Greenberg Volunteer of the Year Award. If you have someone in mind who went above and beyond their Lyric commitments and duties this year, please submit their names and a brief description of their volunteer efforts to [serenamagnan@hotmail.com](mailto:serenamagnan@hotmail.com). The nominees will be discussed and voted upon by the membership committee and the award will be given out at the Annual Meeting.

## TRACKING VOLUNTEER HOURS

By Serena Magnan O’Connell, Membership Chair

Did you make masks for us this year? Have your Lyric volunteer hours been turned in? June 30 marked the end of Lyric’s fiscal year and the time of year we tally active membership hours. If you volunteered in a capacity OUTSIDE of a committee or involved in a show, please fill out the Volunteer Hours form found on the website and turn in to the office. Remember, committee hours are tracked by the committee chairs, crew hours are tracked by crew chiefs and cast hours are tracked by our stage managers. Please make sure your volunteer hours are accounted for! Tracking hours helps us to acquire grants, and is important data for us to document as an organization. Any questions on hours or the survey can be directed to [serenamagnan@hotmail.com](mailto:serenamagnan@hotmail.com).

## LIVE PERFORMANCES IN AUGUST: THE LITTLE CITY CABARET
